If you are reading through the book, *Discover Your Mission Now*, answer the questions for chapters 1 & 2, and then come back to this sheet for some additional study or at least the prayer section below.

*As for me, far be it from me that I should sin against the LORD by failing to pray for you.
And I will teach you the way that is good and right.*

1 Samuel 12:23

How was it sinning against God if Samuel did NOT pray for his countrymen?

Read **Hebrews 10:19-22** and **James 5:16-18**. What do these verses teach you?

The simple fact is that if people have not put their faith in Christ, they don't have access to God like we do, and they need us to bring their needs to God on their behalf. What does that knowledge mean to you?

Pray for our neighbors...

Write down the names of some of your neighbors along with something you can pray for them about.

Write down some questions you have for God about your neighborhood and your relationship to your neighbors?

Break up into groups of 2 or 3, and share with your group what you wrote down. Then spend some time praying out loud for these things.
